

**Around the World with CIC®s**

Name:

Location:

Company/Organization:

Title:

First certified in:

1. Why did you choose a career in infection prevention and control?
2. How did you first hear about the CIC®?
3. As an international candidate, what types of hurdles, if any, did you have to overcome to take the CIC® exam?
4. If you have recertified, why do you stay certified?
5. What advice would you give someone like you interested in taking the CIC®?  
What resources did you find useful?
6. How do you stay informed with the latest industry news?
7. Finally, what does it mean to you to be a CIC®?

For the CBIC office:

Please share any country based, regional, or other professional organizations that you think CBIC should connect with.
