

1. Login to your Credly and access your "Dashboard" and click your CBIC badge.

2 badges

2. Click “Share” in the upper right-hand corner

The screenshot shows the Credly interface for a badge. At the top left is the Credly logo. In the top right, there is a search icon and a user profile icon. Below the logo, a grey bar contains a user profile icon, the text "This badge was issued to [Jessica Dangles](#) on February 23, 2022. Expires on December 31, 2027", a blue arrow pointing right, a green "Share" button, and a three-dot menu icon. The main content area features a red ribbon badge on the left with the text "CERTIFICATION Certified in Infection Control (CIC®) CBIC" and a circular logo. To the right of the badge, the title "Certified in Infection Control (CIC®)" is displayed, followed by "Issued by [Certification Board of Infection Control and Epidemiology](#)". Below this is a paragraph of text: "Those individuals that earned the Certification in Infection Control (CIC®) badge have demonstrated the standardized measure of the basic knowledge, skills and abilities expected of professionals working in the field of infection prevention and control. Earners are committed to professional growth in the field of infection prevention and control by keeping their knowledge and skills current to better organizations IC function and its success." Underneath the text is a "Skills" section with five tags: "Asepsis", "Cleaning", "Disinfection", "Employee Health", and "Environment Of Care".
