### Retirement Attestation

By completing this application, I agree that:

- I currently hold the CIC<sup>®</sup> credential and am in good standing with CBIC.
- I am retired from full-time employment or am entering retirement during the year I am up for recertification.
- If I am applying as a lapsed candidate, I verify that I am entering retirement or have retired from full-time employment and am applying for CIC<sup>®</sup> Emeritus status within five years since lapsing.
- I will use the credential as "CIC<sup>®</sup> Emeritus" only. I am no longer permitted to use the "CIC<sup>®</sup>" credential.
- I understand that I am required to notify CBIC if I become full-time employed again and will no longer meet the requirements for Emeritus Status.
- I understand that if I become full-time employed again or do not meet any of the above requirements and would like to become a CIC<sup>®</sup> again, I must re-apply, pay for, and pass the initial CIC<sup>®</sup> examination.
- I understand that as a CIC<sup>®</sup> Emeritus I am no longer required to earn continuing education (CE) credits or take the recertification examination.
- I understand that I will no longer be listed in the online Find a CIC<sup>®</sup> directory.
