Company/Organization:

Title:

First certified:

1. Why did you choose a career in infection prevention and control?
2. What advice would you give someone who is interested in an infection prevention and control career?
3. What does being a CIC® mean to you?
4. What was the best studying method for you when preparing for the initial certification examination?
5. What advice would you give someone pursuing certification?
6. How do you stay up-to-date on infection prevention and control practices?
7. Are you part of an APIC or IPAC Canada chapter? If so, would you recommend it to others?
8. How has the CIC® helped you grow professionally and in your career?
9. Are there any CIC® stories that keep you up at night? This can be related to the examination or a specific patient story that stands out.
