

Group Application Instructions

We are happy to hear that your organization is assisting in helping those in your facility to become certified. What you may purchase: the CIC® exam, the exam prep webinars and the a-IPC exam*.

Please follow these steps for group applications:

1. Begin by reviewing the [CIC® eligibility requirements](#) and [candidate handbook](#) with possible candidates.
 - a. **Those who are not eligible for the CIC® examination should not be part of the group application.** There are no eligibility requirements for the a-IPC.
2. Fill out the [group application](#) found on the CBIC website.
 - a. To process your request, we will need the **total number of candidates** that you will be paying for, the **names and emails of each candidate**, and the **contact information of the payee**, in order for us to create an invoice. Please complete the excel sheet application and send to info@cbic.org.
3. You will be emailed an invoice. Upon payment, the application will be processed and profiles will be created in our database for each person (unless already in the CBIC database).
