CBIC Reference Books

References have been categorized as primary and secondary sources for content information. Nearly all questions are based on chapters in the primary references, but secondary references may be useful to help clarify more detailed issues in specific practice settings or content areas such as microbiology.

Primary References:

Secondary References:
• Current Recommendations of the Advisory Committee on Immunization Practices (ACIP).
• Current guidelines, standards, and recommendations from CDC, APIC, SHEA, and Public Health Agency of Canada.

Please note: In the CIC exam, the term “standards precautions” is equivalent to the Canadian term “routine practices.”
